

St. Lawrence County Public Transit Rider's Guide

Welcome Aboard Your St. Lawrence County Public Transit Bus!

How To Catch Your Bus

There are two ways to plan where you will begin your transit bus ride. First, you can call our friendly office staff at 315-386-2600 and they will tell you where and when the bus stops or you can get on the thearcjslc.org website and see our transit schedule. We encourage our customers to stand in a safe location where the vehicle operator (and other motorists) will be able to see you clearly.

If you are new to St. Lawrence County Public Transit, or riding a route for the first time, please feel free to ask your bus driver if you are boarding the right bus. If you need to wait for the next bus, the driver can tell you when it will arrive. When your bus arrives, please walk up the steps pay for your ride and enjoy your trip.

You should arrive at the bus stop fifteen minutes before the bus's scheduled arrival time. Buses may run late due to traffic or weather conditions.

You may wave down the bus anywhere along a street that a bus is traveling; the bus will stop along the route as long as it is safe to pull over. The driver will not stop near corners, on steep hills, or other hazardous areas.

How To Pay For Your Ride

If you are riding for the first time, you will probably be paying for your trip with cash or coin. St. Lawrence County Public Transit vehicle operators do not make change, so please be sure to have the exact change to get on the bus. Please do not forget that you will need that much to get back too! If you plan to ride St. Lawrence County Public Transit frequently (and we hope that you do), please check the fares section of this schedule for details about how to save money by purchasing multi-ride tickets. If you have any questions about our multi-ride tickets please call us at 315-386-2600 or ask your driver

How To Use More Than One Bus Route To Make One Trip

We call this "making a transfer." When the original bus you board does not go to your desired location you will ask the driver for a transfer pass. When you get on the next bus, give your transfer slip to the driver. Your transfer pass will be only good for 1 hour from the time it was issued. There is no charge for a transfer pass.
